## **The Healthy Part of the Living**

On Friday 20, 2001 we started the second half of the trimester. In *Healthy Living*, that means we get to cook, sew, and iron. For the first part of the trimester we had written work. I am having fun in our new class. The teacher of our class is Mrs. Mann.

## **Last Day Near**

June 1, 2001 is our last day of school. On the last day we will be going to A.J's for ice cream. That will be the end of the school year, but the beginning of summer vacation. We had our last dance April 23, 2001 with the theme being Hawaiian.

## **Summer Reading Begins Shortly**

John's Library is now open. The summer reading program will start May 15, 2001. The Library will feature children's books through chapter books. We will shortly be getting 10 new Goosebumps books for harder reading. See John for details.
